NAMPA & MERIDIAN IRRIGATION DISTRICT **SETS ELECTION OF NEW BOARD MEMBER FOR NOV. 6**

For Immediate Release
Nampa, Idaho – Sept. 15, 2012

For Media Information Contact:
Daren Coon - (208) 466-7861

The Treasure Valley's largest irrigation district will hold an election November 6 to pick a new member of its Board of Directors, officials with the Nampa & Meridian Irrigation District announced today.

NMID is currently taking nominations through September 27 for the position of Director for Precinct No. 2 of the District, replacing current director Monte Janicek who is stepping down. The Director position carries a three year term.

Individuals who want to stand for election as a Director must live in the Precinct plus meet other qualifications set down by law. Individuals interested in the position should contact the District for more information.

Precinct 2 is roughly bordered by McMillan Road to the North, McDermott Road to the West, Eagle Road to the East and Hubbard Road to the south. A map of the three NMID precincts, along with other information about the election, is available at the NMID website: www.nmid.org.

Under Idaho law, if the deadline for nominations has passed and only one qualified candidate has been nominated, an election will not be held. Instead, the Board of Directors will declare the candidate as elected.

People who want to vote in the NMID election will be required to sign an elector's oath stating they are a resident of Ada, Boise or Canyon Counties and they own land within the boundaries of the Nampa & Meridian Irrigation District.

The polls will be open on Tuesday, November 6, 2012, at 8:00 a.m. and will close at 8:00 p.m. Eligible voters can cast ballots at any of the three NMID voting locations. They are:

- *Horizon Elementary School, 730 N. Mitchel, Boise, ID;*
- *Meridian Middle School, 1507 W. 8th Street, Meridian, ID; and*
- *Nampa Civic Center, 311 Third Street South, Nampa, ID*

For more specific information, contact the District at (208) 466-7861.

The Nampa & Meridian Irrigation District is a water storage, conveyance and distribution system founded in 1904. The District supplies irrigation water to some 69,000 acres of farmland, residential and commercial lands including pressurized irrigation for more than 15,000 individual parcels of land in Ada and Canyon counties.
