

DUE TO THE DROUGHT CONDITIONS AND LOW WATER SUPPLY WE HAVE EXPERIENCED THIS YEAR, NAMPA & MERIDIAN IRRIGATION DISTRICT WILL END THE IRRIGATION WATER DELIVERY SEASON on **15 SEPTEMBER 2021**. It will take approximately two days for the system to drain.

IF YOUR SUBDIVISION IS SERVICED BY A PRESSURE IRRIGATION SYSTEM **OPERATED BY NAMPA & MERIDIAN IRRIGATION DISTRICT** AND HAS A BACKUP WATER SOURCE, YOUR HOMEOWNER ASSOCIATION PRESIDENT MUST SUBMIT A REQUEST, IN WRITING, FOR WATER TO REMAIN ON.

IF YOUR LAND IS IN NAMPA CITY, PLEASE **CONTACT NAMPA CITY AT 208-468-5711** FOR DETAIL CONCERNING END OF IRRIGATION SEASON.
