Boise residents who live inside the Nampa & Meridian Irrigation District have until Thursday (September 25) to file to run for a position on the District's Board of Directors in the November 4<sup>th</sup> election, officials with the Nampa & Meridian Irrigation District advised today.

NMID is currently taking nominations through September 25 for the position of Director for Precinct No. 1, currently held by Graham Paterson. The Director position carries a three year term.

Individuals who want to stand for election as a Director must live in the Precinct plus meet other qualifications set down by law.

Precinct 1 is roughly bordered by Chinden Boulevard on the North, Eagle Road on the West, 28<sup>th</sup> Street on the East and Lake Hazel Road on the South. A map of the three NMID precincts, along with other information about the election, is available at the NMID website: [www.nmid.org](http://www.nmid.org).

Under Idaho law, if the deadline for nominations has passed and only one qualified candidate has been nominated, an election will not be held. Instead, the Board of Directors will declare the candidate as elected.

Individuals interested in the position should contact the District for more information at (208) 466-7861.

The Nampa & Meridian Irrigation District is a water storage, conveyance and distribution system founded in 1904. The District supplies irrigation water to some 69,000 acres of farmland, residential and commercial lands including pressurized irrigation for more than 15,000 individual parcels of land in Ada and Canyon counties.
