Any persons interested or who may be affected by such change of boundaries should appear at said hearing and show cause, in writing, why the lands should not be annexed to said District. Failure of any person to appear will be taken as an assent to a change in the boundaries. If the Board of Directors deem it not for the best interest of the District to include the lands mentioned in the petition, the Board shall order that the petition be rejected. But, if they deem it for the best interest of the District to annex said property, the Board may order the lands mentioned in said petition or some part thereof annexed to said District. An order shall be issued by the Board to annex said property, but said order shall not become effective until the ninety (90) day period for presentation of an election petition shall have expired without such petition being presented or until approval of the annexation at an election.

If within the ninety (90) days of Board approval of an order allowing annexation a petition signed by either ten (10) landowners or by two percent (2%) of the landowners, whichever number is greater, of the District is presented to the Board which petition states that those signing request an election to approve or disapprove said annexation, then the Board shall order an election be held within said District to determine whether the boundaries of the District shall be changed as mentioned in said order.
