

The Nampa & Meridian Irrigation District has changed to a new Automated Water Ordering and Messaging System.

When calling your Ditch Rider you will be asked **Press 1** to place a Water Order.

You will need to leave your Name, Return Phone Number, Lateral and Tap Number in your message.

Water Orders will be retrieved by the Ditch Rider in preparation for deliveries the next day.

If you are unsure about your Ditch Rider, Lateral or Tap Number please contact the office at (208) 466-7861.
