

OTTO OTTER
FOR
SAFE WATER

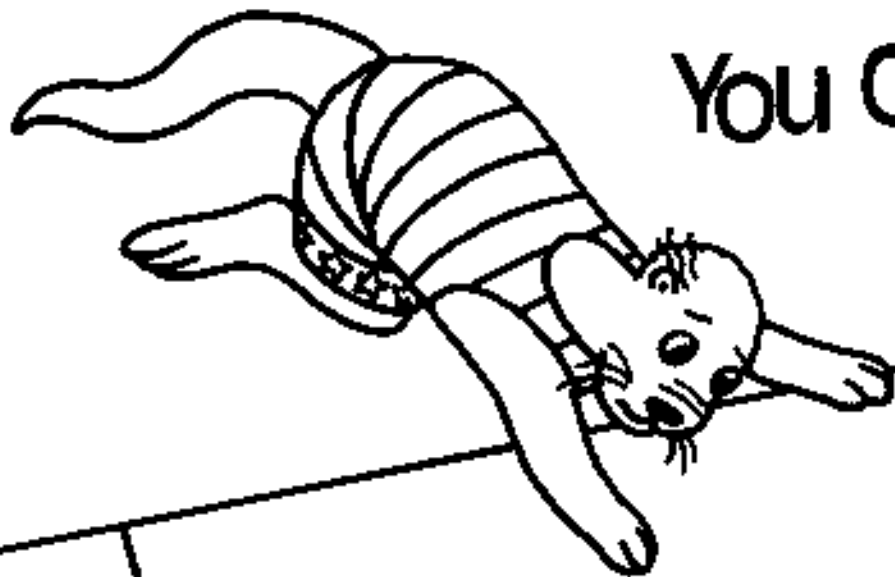

You OTTER know special things
about rivers and canals.

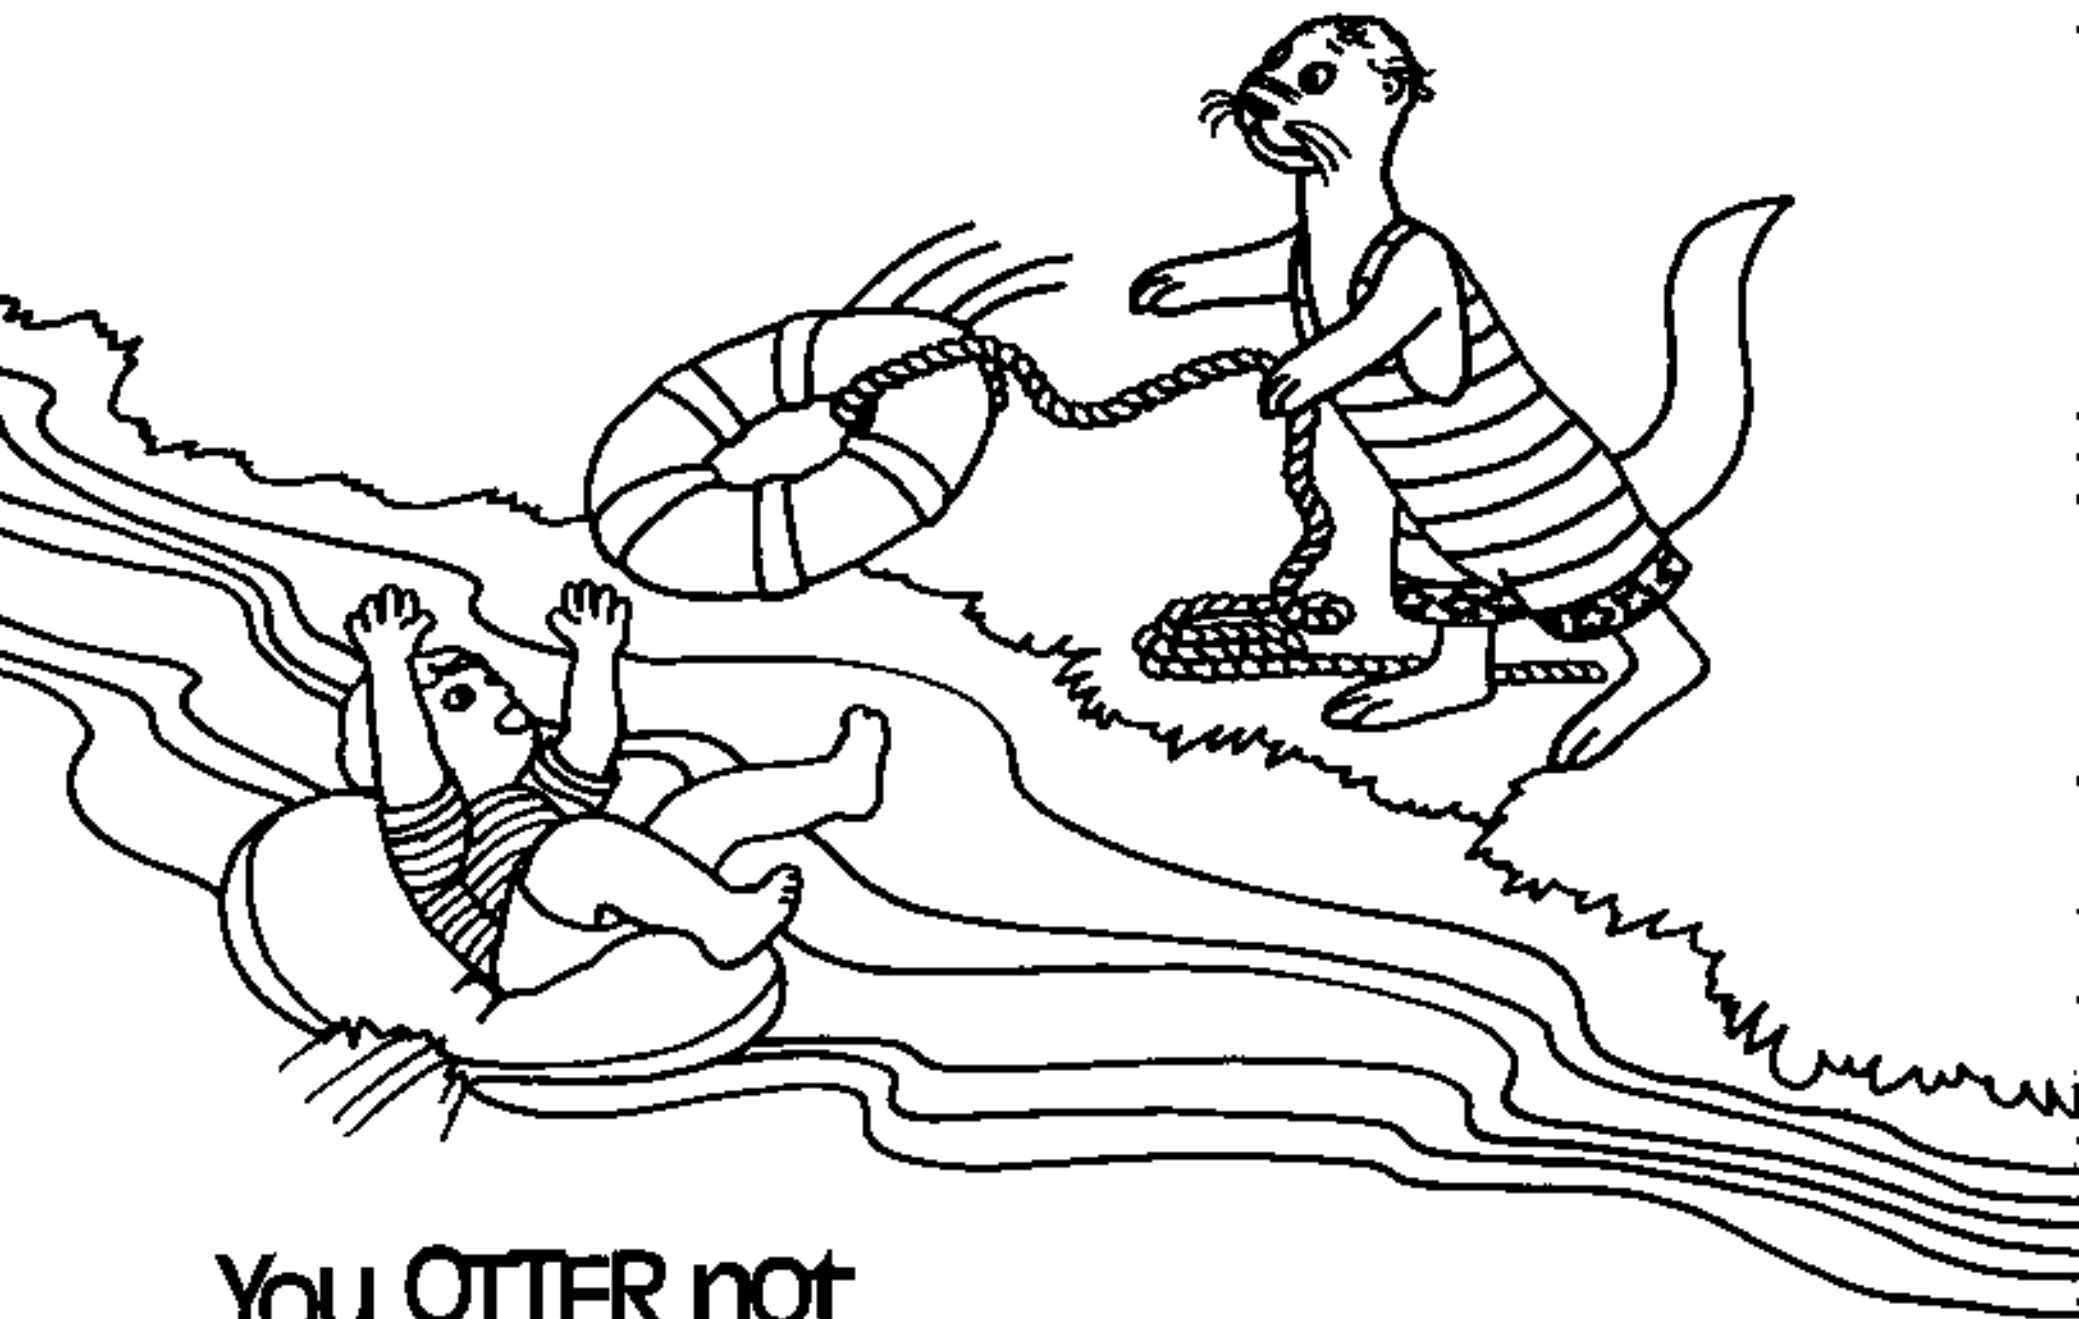

**You OTTER obey signs
(and rules that are made).**

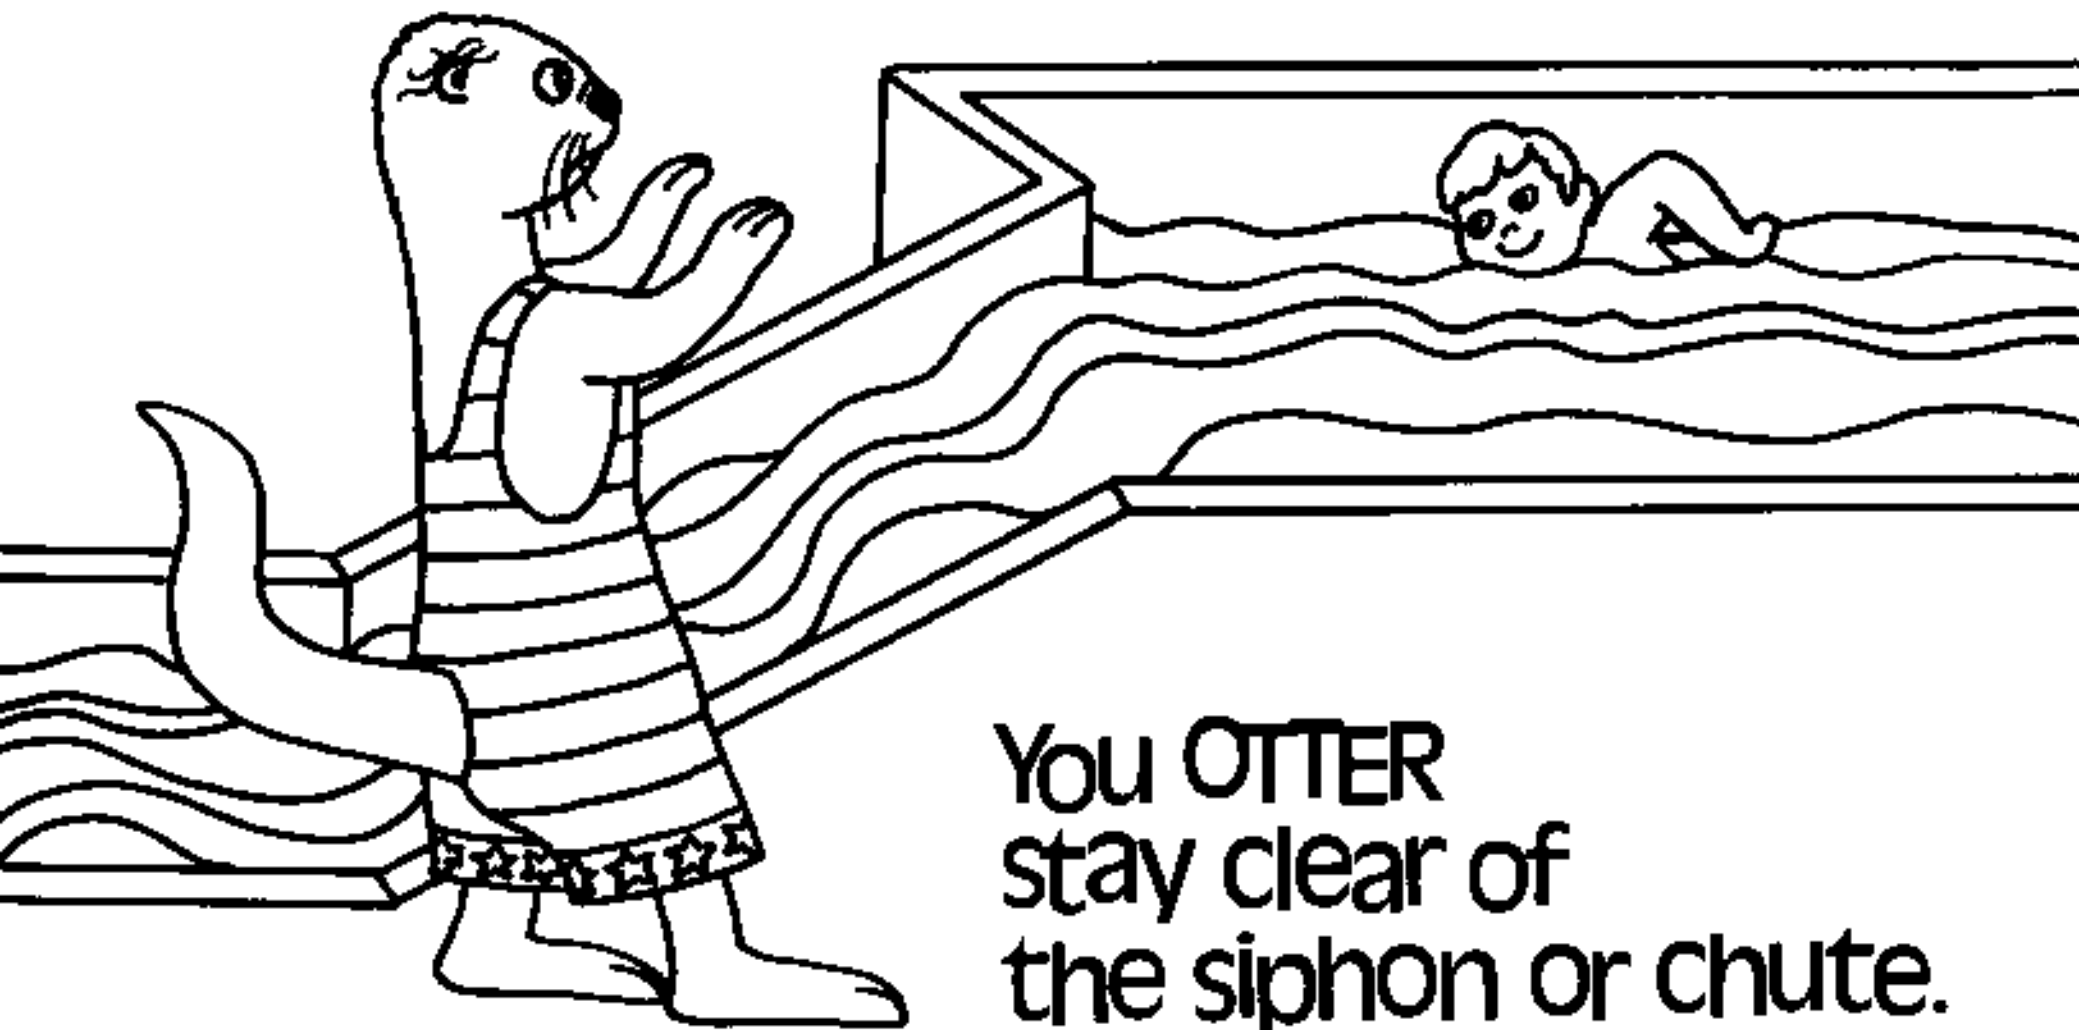

You OTTER stay out

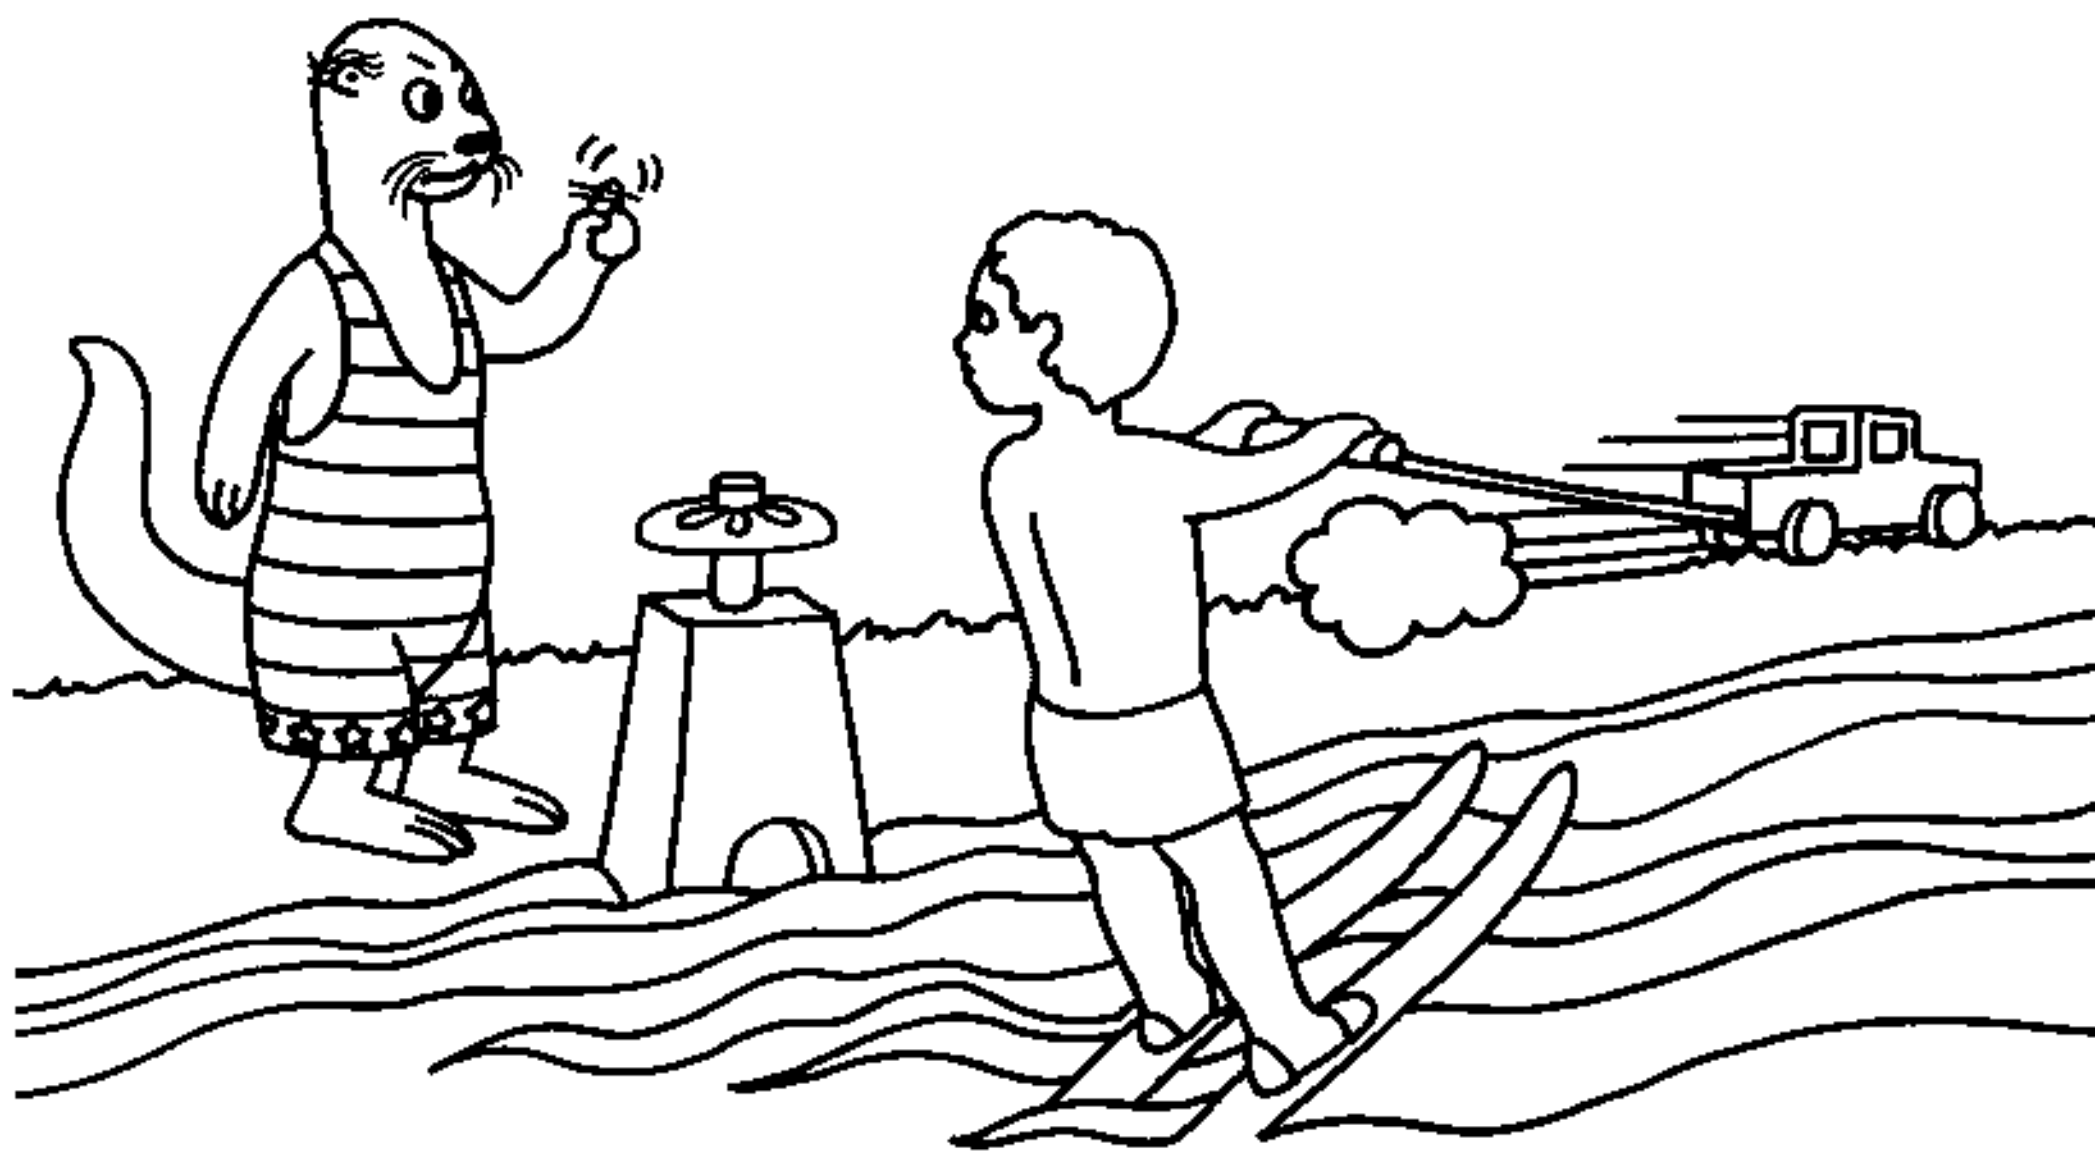

where there's concrete
or steep slippery sides.

**You OTTER not
take those dangerous tube rides.**

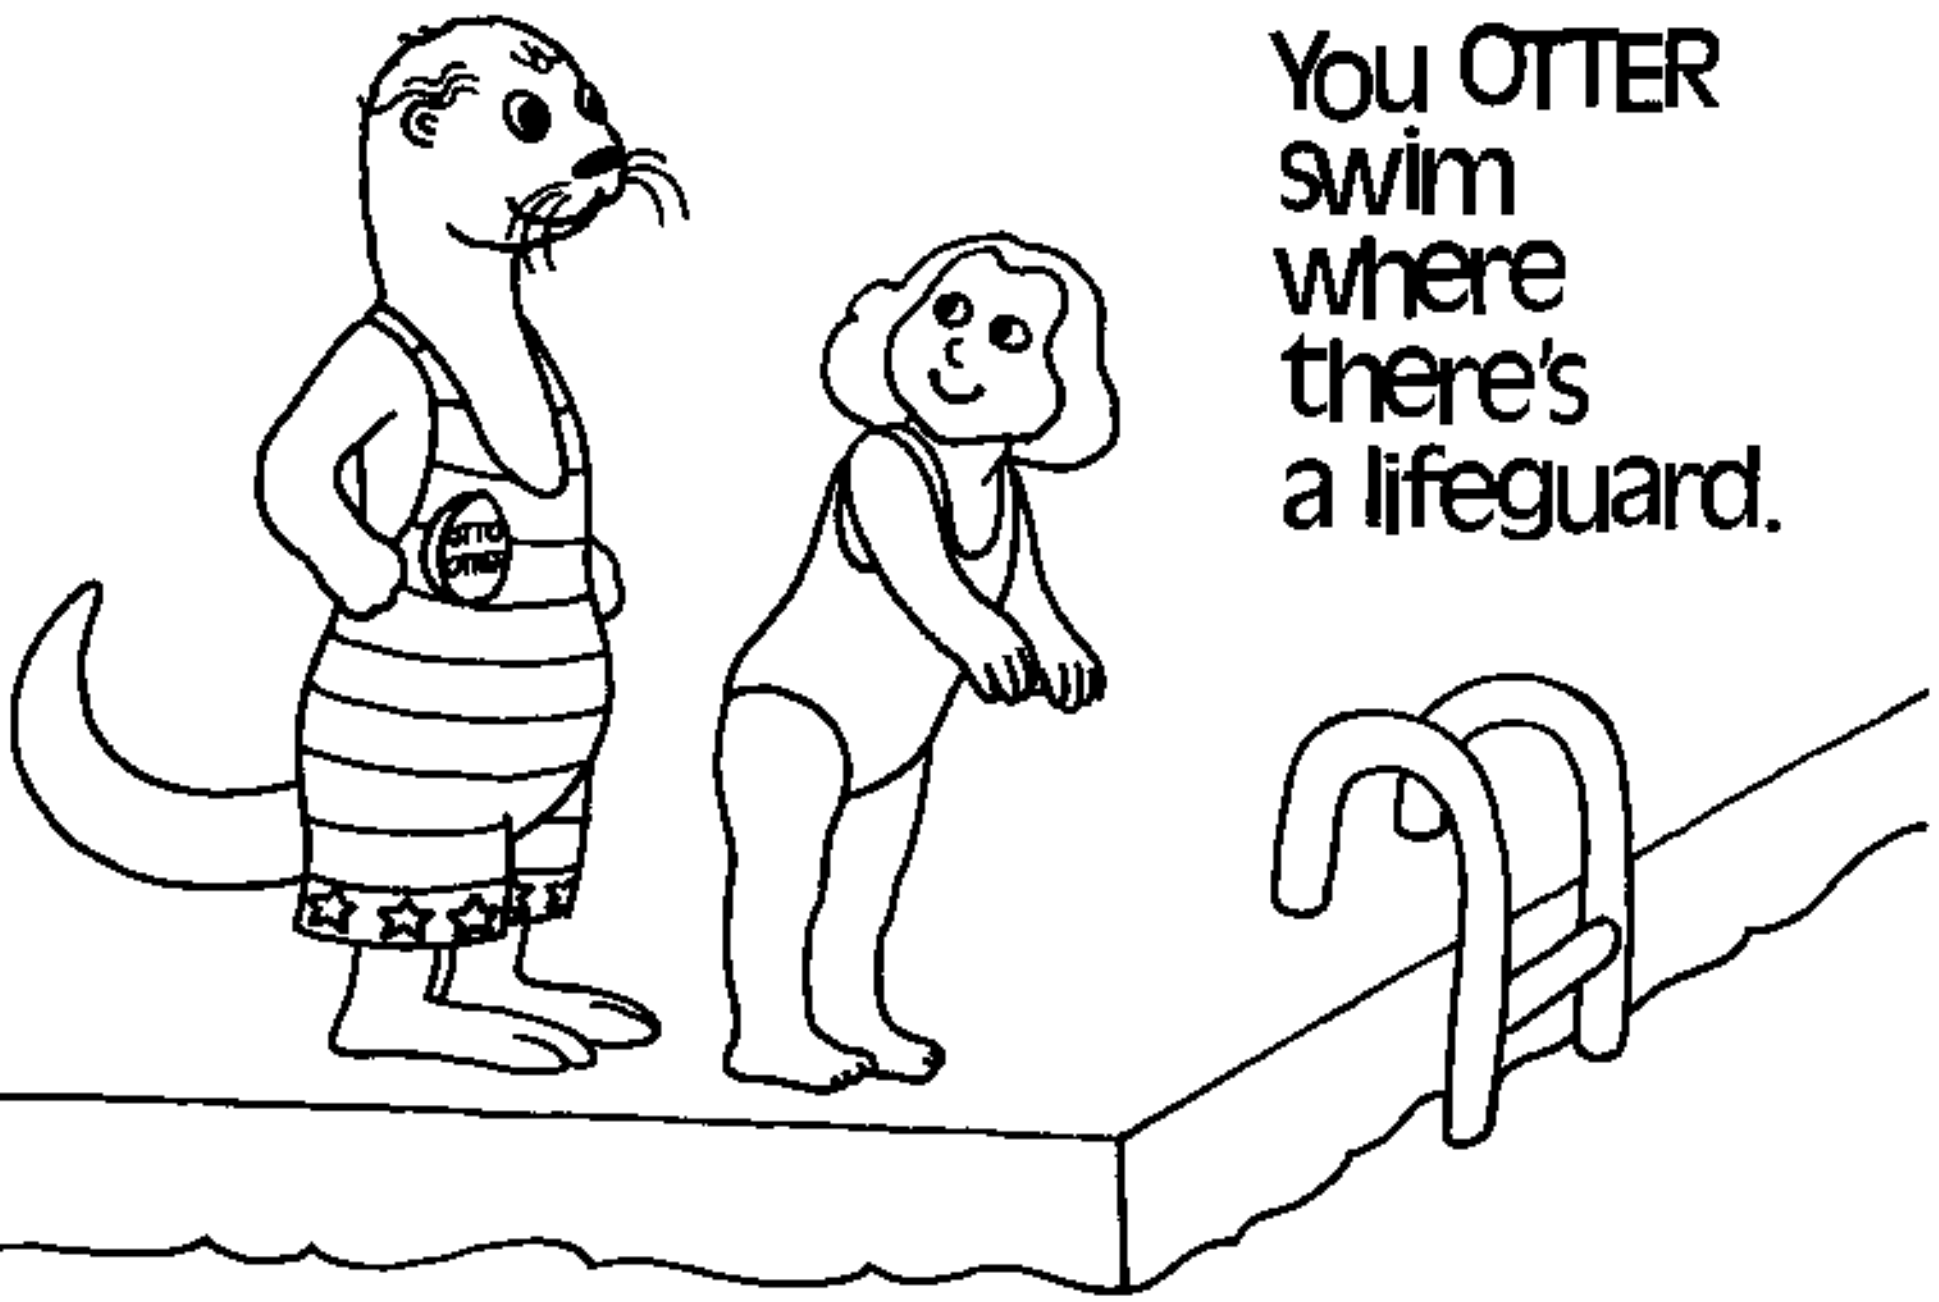

**You OTTER
stay clear of
the siphon or chute.**

You OTTER realize
danger is not very cute.

You OTTER
Swim
where
there's
a lifeguard.

**You OTTER feel responsible
to keep little tots away.**

You OTTER
play safely
even in
your own
yard.

You OTTER
be careful
when you're
around water—
you will have
more fun,
like
OTTO OTTER.
